

# Discover Gymnastics

## Tiny Twisters Information

1. **The Time Commitment:** *August 26, 2019 – January 4, 2020* We understand gymnastics falls below the priority of school and family. However, when you join this program, the assumption has been made that you have allocated the appropriate time for family and school along with the commitment to this program.
  - a. **Make Ups:** Because of the high intensity training of this program, attendance is very important. Make ups are still available at this level and are highly recommended if your child has to miss a class.
2. **Financial Commitment:** Required fees for Tiny Twisters.
  - a. **Semester Fees:** \$1,430.00 for the Fall semester. Semester fees can be split into 2 payments (\$10 Fee) or 3 payments (\$25 Fee)

Included in this fee:

    - *19 weeks of tuition*
    - *2 leotards-* The Tiny Twisters leotard and Discover Skills meet leotard is all that is required at this time. The Tiny Twisters leotard can be worn in practice and will be used for the Reindeer Games competition, pictures, etc. The Discover skills meet leotard will be worn only at the Skills Meets.
    - *2 Skills Meets: November and December* –The Skills Meets are used to help prepare the gymnasts for competition. They will perform skills in front of a judge and an audience and receive ribbons according to the execution of the skills. These meets will be held at Discover and other gyms.
    - *Reindeer Games* – This event will be the first time they will put together a routine on all 4 events to perform in front of an audience.
  - b. **Miscellaneous Expenses:** ankle weights, athletic tape, pre wrap, briefs, etc.
3. **Practice:**
  - a. **Attire:** Only leotards are acceptable to wear at practice. Briefs should be worn under their leotard. The Tiny Twister Leotard will be worn on the first practice day each week.
  - b. **Water:** A reusable plastic thermos/water bottle is encouraged to be brought but must be kept in the cubbies. They may use the water fountains as well.

# Discover Gymnastics Tiny Twisters Information

4. **Communication:** Important information is communicated via **Team APP**. Please ensure any family members needing to receive communication are on the Team App.

a. **How to register on the Team App:**

1. Download the Team App on your phone.
2. Search for Discover Gymnastics.
3. Create an account and request access to Tiny Twisters

**What you need to do after receiving this information:**

- Discuss and confirm with your family that this is the right choice for you and your gymnast.
- Sign this letter & return to the office to register by August 12, 2019 (this will reserve your spot).
- During registration, submit Tuition payment.

Please designate leotard size here: \_\_\_\_\_

**Welcome aboard!**
