

## SUMMER CAMP 2022

# *Parent Orientation Letter*

It is with much enthusiasm that we welcome you to Summer Camp 2022 at Discover Gymnastics!

Our goal is to ensure that each child has an enjoyable experience as a participant in our program. We are all so excited to see your children and cannot wait to teach them the fundamentals of gymnastics. We have been hard at work preparing for Camp this summer to make it a safe and positive experience for your children, our staff, and the entire DG community.

## 2022 Summer Camp Dates & Hours

# Reserving Camp Policy

*New Reservation Policy as of April 1, 2022*

Same Day Camp reservations will have higher prices and Camp may be full. Camp must be booked at least one day in advance and paid upon booking to ensure reservation.

Call or stop by the Front Desk to reserve in advance for Camp.

**713-680-0045**

If converting absences for Camp, this must be scheduled in advance/prior to the day you are wanting to attend Camp. Same day registering for Camp will incur higher Camp rates and will not allow the usage of absence conversions. To ensure regular Camp rates, please call or stop by the desk to sign up for Camp at least one day in advance of arriving to Camp.

Thank you for your cooperation on this as we staff the correct number of Coaches based off the actual number of students registered for Camp.

## Camp Drop-Off and Pick-Up Procedures

**Drop-Off:** Please drop off your child in the front of the building and remain in your car as we continue to do a drive thru process. The camp staff will be there to meet you and your child to get checked-in. There is no parking in the front unless you have questions to discuss, want to come in and watch, or need to sign extra paperwork. If so, you will need to move to park just past the palm trees or in the back parking lot to come in the building. Do not drop your child off in the front without locating camp staff and officially signing them in. Upon Drop-Off each day you will sign your child in with the following

information:

- Name of person who is picking up.
- Signature of person dropping off.
- Time dropped off.

**Pick-Up:** Please pick up your child in the back of the building and remain in your car as we bring your child to you. Campers have to be signed out by parent/guardian/designated person each day. During Pick-Up, camp staff will ask for your ID to ensure each child's safety. If you do not have your ID we do accept other important documents with your name on it such as a credit card, passport, etc. Please do not pick up your child without locating camp staff and officially signing them out.

## What to Bring to Camp

Any items brought to camp must fit in one bag/backpack they're bringing. It must be labeled with the camper's first and last name. Please do not pack multiple bags for your camper to keep track of.

- Backpack (in which ALL OF THE FOLLOWING items fit into)
- Snacks (for the morning and afternoon)
- Plenty of water/drinks (water fountains may not be in use)
- Lunch
- Extra change of clothes if they are 3-4 years old
- Shoes to walk in and out of the building in

Discover Gymnastics does not provide food/drink and the water fountains may remain out of use at this time, so we recommend packing extra snacks and water bottles for your child if they need it. We have vending machines that accept dollars/coins if needed. If you do not provide a change of clothing and your child needs it, your account may be automatically charged for a clothing item/leotard if need be.

## What to Bring

# Camp Weeks

## Health & Safety Reminders

Be sure your child is wearing comfortable fitted athletic clothing without zippers, buttons, or gymnastics attire is acceptable as well. Your child must arrive and depart the gym wearing shoes for their safety. Children will be barefoot during camp activities to ensure they don't slip on the gymnastics equipment.

The health and safety of our campers and staff remain our highest priority. Below you will find a summary of actions we are taking to help ensure everyone's well-being and lowering any COVID-19 risk as much as possible:

- Cleaning and disinfecting mats, tables, bathrooms, and craft supplies.
- Keeping campers in smaller groups than 7 for preschool age and 10 for school age when possible.
- Promoting healthy hygiene practices by teaching campers the importance of properly washing hands for at least 20 seconds, monitoring campers to make sure they are washing their hands, and encouraging children to

cover their coughs and sneezes with the inside of their elbow

- Hand sanitizers are available in multiple locations around the gym for anyone's use.
- Campers that are feeling unwell will have their parents called and may be sent home from camp if they are not well enough to continue.
